

December 31, 2020

Dear Clients,

We are announcing that effective December 31st, 2020 we have made the business decision to cease operations of Duke-Allen Inspections.

For well over a decade, we have been pleased to have had the opportunity to serve our clients in the Midwest; provided training, educational opportunities, and consultation related to real estate whether commercial or residential.

As many of you know, our business ventures go beyond real estate inspections. They include investment properties, rental properties and the sales of residential real estate. In this capacity we work with first-time homebuyers, real estate investors, and people looking to downsize. We have made the strategic business decision to focus our business in these growth areas of the market.

We invite you to follow our Facebook page, visit our websites (see links), and give us a call with any of your real estate needs. You will find the same great knowledgeable and customer-focused service you have come to expect. We have a whole team dedicated to serve you, and we are just a call away!

Sincerely,

Wes Brandenburger, Owner
Duke-Allen Inspections
